N/A

Situated in Es Castell town and overlooking the famous bay of Cala Corb there is an opportunity for a fantastic building project. Building land in Es Castell is very scarce, so how about renovating a 310m2 house, in a buildable area of 2120 m². Previously, the construction of 15 floors with a garage and sea views has been contemplated, but it is a perfect property to adapt it to your ne...(Ask for More Details!)
