SEA VIEWS - This property is a typical character Menorcan villa comprising 3 double bedrooms, 2 bathrooms, large lounge, large lounge/dining room, fully fitted and equipped kitchen. Outside there is a garden, large pool, shed and covered terraces. The property is in need of reform, hence the low price for such a large villa in this beautiful and sought-after area of Sol del Este. From the upstairs bedroom there is a terrace with sea views. The villa is in the quiet area of Sol del Este but just a few minutes walk to the beautiful bay of Cala Fonts with its restaurants and fishing boats, and Es Castell town has plenty of shops, restaurants, medical services and schools.
