This delightful colonial style property that clearly defines its historical connections is situated in the peaceful countryside near the famous town of Es Castell. Built in the Georgian style, the main finca/house has been completely converted and modernized to a very high standard, providing total relaxation and maximum comfort as an inviting and charming rural hotel. The hotel is surrounded by large and well kept gardens, with different terraces and a large pool with a sunbathing area. The finca is in a privileged position, with amazing views overlooking the famous fortress of La Mola and the natural harbour of Mahon, the capital of Menorca. Altogether, the property comprises 11 bedrooms and bathrooms including accommodation in the nearby cottages. Some of the bedrooms and terraces have sea views but the large terrace of the pool area is very quiet and relaxing. There is also a second house situated in the grounds complemented with attractive gardens that provide an additional 4 double bedrooms. It is well situated for the attractions and local amenities of Es Castell town including the famous cove of Calas Fonts with its famous Menorcan fishing boats and waterside restaurant...
