Apartment, Maó

450,000€

In the town centre of Mahon we are delighted to offer this first floor apartment of 116m², which is exceptional for its hand painted ceilings and mahogany floors. Completed in 2007, the large lounge and dining areas are very spacious and with lots of light. The fitted kitchen is situated below the charming mezzanine that hosts the bedroom and the whole area is designed to take advantage of the unique ceiling painted by Chiesa in the 19th century. The apartment is complete with the top quality finishings that were used in the reformation of the whole building. The building has a lift and is situated in a quieter area of town but just a few minutes walk to the shops and restaurants that the Capital has to offer. The Port of Mahon is a 5 minute walk and the airport is a 10 minute drive.
