Apartment, Es Castell

150,000€

Located just a 2 minute walk from the popular bay of Calas Fonts, the Castellmar apartment building has proved a great success since it was built in 2001. This apartment is situated on the second floor (no lift) and has been fully refurbished to a high standard by the current owner. This duplex apartment comprises a ground floor with a fitted kitchen, large lounge/dining room and storage room. The first floor includes 2 double bedrooms with fitted wardrobes and hot/cold air-conditioning units and each has a private terrace. There is also a shower room and another private terrace with a storage room. The private terrace has the early morning sunshine making it a great place for breakfast. This delightful complex has 2 large swimming pools and includes your own parking space in the underground community garage. The town of Es Castell has plenty of shops, bars and restaurants and all the facilities of a popular town with very friendly residents. The famous bay of Calas Fonts is very popular with its waterfront restaurants and summer evening craft markets and shops. The airport is a 15 minute drive.
